

Filare Zero - Perla Gialla

Non-Alcoholic Sparkling Beverage

Ingredients: Grape must, water, natural flavours, carbon dioxide, citric acid

Soil Type: Flat, alluvial soils rich in mineral salts such as calcium carbonate and magnesium, which contribute to the product's pleasant freshness and minerality

Harvest Period: Late August

Production Process: Gentle pressing of the grapes to obtain the free-run must, which is immediately cooled to 2°C to preserve its natural aromatic freshness and prevent alcoholic fermentation. Natural carbon dioxide is then added to create a fine and delicate perlage

Colour: Light straw yellow with bright highlights, featuring a fine and persistent perlage

Aroma and Taste: Fresh and elegant, with notes of pear, white peach, apple and white-fleshed fruits, complemented by delicate hints of white flowers and pineapple. On the palate, it is smooth, harmonious and pleasantly fruity, with lively freshness and a delicate mineral finish

Food Pairings: Ideal as a refreshing and convivial beverage at any time of the day. Perfect for alcohol-free aperitifs, brunches, finger foods, light desserts and Mediterranean cuisine
